Produce stands are structures for the display and sale of agricultural products grown locally (on the Delmarva Peninsula). Produce stands are regulated by the following standards:

1. A produce stand license is required and County renewal of the license is required for each year's operation. The fee for the license is \$50.00.
2. A produce stand structure shall not exceed 600 square feet in floor area; this includes space in an owner-occupied accessory farm building.
3. An accessory farm building shall meet all the required setbacks from property lines.
4. All temporary structures shall be setback at least twenty (20) feet from property lines and shall be located so as to provide safe ingress and egress from the public road.
5. Five (5) parking spaces shall be provided on the site of the produce stand. The dimension of each space shall be a minimum of 10 feet wide and 20 feet deep.

6. Each stand may have up to two (2) signs: one flat wall sign not to exceed fifty (50) square feet in area and one free-standing sign not to exceed thirty-two (32) square feet in area. No signs are allowed off the premises of the stand.
7. A twenty (20) foot area around the sales structure may be used for display of product.
8. All produce stands and related structures shall be considered seasonal or temporary in nature and shall not be erected until April 15<sup>th</sup> and shall be removed by the end of the local produce season or by November 30<sup>th</sup> of each year.

In the space provided below, please show proposed location of:

1. Stand Structure
2. Parking Areas
3. Entrances from adjacent route(s)
4. Location of all signs (please refer to #5 above for sign regulations)
5. Setbacks from highway and property lines.

As the applicant, I certify that I have read and understand the above information and that my application falls within these guidelines.
